## 2024 HOTELIARS FOR CHARITY GALA EVENT

On behalf of Hoteliars for Charity, we would like to cordially invite you to the HFC Gala XXIV at Sofi Stadium Saturday June 1st, 2024. This year we are very privileged to be partnered with organizations who aid in supporting the end to human trafficking in hosting the event.

Every member within our organization actively engages in either ownership or management roles with prominent hotel brands, including G6 Hospitality, Red Roof Inns, Marriott, Wyndham Worldwide, Choice Hotels International, Best Western, Intercontinental Hotel Group, and various successful individual and boutique hotels nationwide. The deep appreciation and respect we hold for our customers within the hospitality industry extend to our valued vendors and supporters. Our ability to competently cater to our patrons is made possible through the enduring and flourishing partnerships that have evolved over the years.

Hoteliars for Charity has been immensely grateful for the tremendous support received in previous golf tournaments and galas from our sponsors and the community we are dedicated to serving. This support has enabled us to create a significant and enduring impact through donations to various local causes, including Children's Hospital LA, USC Verdugo Hills Hospital, the Los Angeles Police Foundation, and global disaster relief efforts led by The American Red Cross. Furthermore, we are committed to leaving a lasting and meaningful mark on our cultural community. None of this would be possible without the steadfast support of our generous backers, who help us maintain the level of excellence we continually strive for.

This year, our objective is to aid in supporting various organizations who are dedicated to ending human trafficking. Human trafficking is a grave and pervasive global issue, characterized by the exploitation and forced movement of vulnerable individuals, often for the purposes of forced labor, sexual exploitation, or other forms of servitude. It remains a multi-billion-dollar criminal industry that victimizes millions of people, disproportionately affecting women and children. The victims endure unimaginable physical and psychological harm, and traffickers operate with impunity in many parts of the world. Combating human trafficking demands international cooperation, stringent laws, and comprehensive support systems for survivors. Keep in mind, the proceeds benefit organizations including Room Next Door, ECPAT USA, Polaris Project, BEST, and many others, so anything will help!

We extend our heartfelt gratitude to you on behalf of the entire Hoteliars for Charity team. We appreciate your ongoing support and eagerly anticipate the opportunity to meet with you personally to discuss your level of engagement. Your valuable contribution to advancing our mission of uniting hoteliers and other professionals to speak with a unified voice is truly cherished! For additional event details, including registration, sponsorship opportunities, and making donations, kindly explore our website at [www.hoteliarsforcharity.org](http://www.hoteliarsforcharity.org). The event promises live music, a variety of vendors, an engaging silent auction, a fully stocked bar, and a delectable dinner, ensuring a memorable experience for all attendees.

Please feel free to contact us should you have any questions.

With Warmest Regards,

**Hoteliars for Charity**
